In reply, please refer to Case No. 06-1547

Dear Mr. Hedberg:

The Utah State Historic Preservation Office received your request for comment on the above referenced project on March 5, 2007. We understand you may be acting on behalf of a federal agency and that you are also consulting under Utah Code 9-8-404.

Based on the arguments in the letter regarding the potential for eligible cultural resources and the potential for effects, we **concur** with your determination of **No Adverse Effect**.

This letter serves as our comment on the determinations you have made, within the consultation process specified in §36CFR800.4. Also, Utah Code 9-8-404(1)(a) denotes that your agency is responsible for all final decisions regarding cultural resources for this undertaking. Our comments here are provided as specified in U.C.A. 9-8-404(3)(a)(i). If you have questions, please contact me at (801) 533-3555 or mseddon@utah.gov.

Sincerely,

Matthew T. Seddon, Ph.D., RPA
Deputy State Historic Preservation Officer - Archaeology
